St. Edward Stakeholders,

We are currently working with the Nebraska Department of Education on a plan of how to proceed with students during our closure. The administration have been on many zoom meetings with ESU 7, our legal educational experts, and other area schools to get the best plan for our students. There are some unknowns that we hope to have cleared up by this Friday or early next week. We will let everyone know as soon as we have a plan in place. Please call the school at 402-678-2282 with any questions.

Mr. Frederick
