SEHS School Dress Code

Students at St. Edward Public School are expected to dress in a way that is appropriate for a school setting.

Students should not dress in a manner that is dangerous to the health and safety of anyone or interferes with the learning environment or teaching process in our school. Following is a list of examples of attire that will not be considered appropriate, such list is not exclusive and other forms of attire deemed inappropriate by the administration may be deemed inappropriate for the school setting:

a. Clothing or jewelry that is gang related;

b. Clothing that shows an inappropriate amount of bare skin or underwear (midriffs, spaghetti straps, tank tops, sagging pants);

c. Clothing or jewelry that advertises beer, alcohol, tobacco, or illegal drugs;

d. Clothing or jewelry that could be used as a weapon (chains, spiked apparel) or that could cause injury or damage;

e. Head wear including hats, caps, bandannas, scarves, and hoods;

f. Clothing or jewelry which exhibits nudity makes sexual references or carries double meanings.

g. Shorts which are not at least mid-thigh in length.
h. Articles which are unwashed and inappropriately soiled
i. Pants which have holes above the knees.

j. Students are not allowed to wear tools on their belt.
Consideration will be made for students who wear special clothing as required by religious beliefs, disability, or to convey a particularized message protected by law. The final decision regarding attire and grooming will be made by the Principal or Superintendent. In the event a student is uncertain as to whether a particular item or method of grooming is consistent with the school's guidelines, the student should contact the Principal for approval, and may also review such additional posting of prohibited items or grooming which may be available in the Principal's office. Coaches, sponsors or teachers may have additional requirements for students who are in special lab classes, students who are participants in performing groups or students who are representing the school as part of an extracurricular activity program.

On a first offense of the dress code, the student may call home for proper apparel. If clothes cannot be brought to school, the student will be assigned to in-school suspension for the remainder of the day. Students may be allowed to leave campus to change clothes. Continual violations of the dress code will result in disciplinary actions under the Student Code of Conduct above. Further, in the event the dress code violation is determined to also violate other student conduct rules (e.g., public indecency, insubordination, expression of profanity, and the like), a first offense of the dress code may result in discipline, up to expulsion.

St. Edward FCCLA

The St. Edward FCCLA attended the Nebraska Family, Career, and Community Leaders of America (FCCLA) for their annual State Leadership Conference April 2-4 in the Lincoln Haymarket area. Nearly 1,100 students and advisers from 90 Nebraska schools attended the conference to grow their leadership skills, celebrate their accomplishments from the past year, and prepare for their future careers. Melvin Adams was the keynote speaker for the event. His message focused on resilience and never letting one's circumstances prevent them achieving their dreams.

Throughout the day on Monday, April 3, participants had the opportunity to attend four career panels where they heard from professionals in each of the FCCLA Career Pathways: Education & Training, Hospitality & Tourism, Human Services, and Visual Arts & Design. The UNL Engler Entrepreneurship Program also hosted an Entrepreneurship panel with their alumni and students. Nebraska Common Ground also hosted a Consumer Fair where attendees could hear directly from farm women in Nebraska and learn more about where their food comes from. The Opportunity Fair featured 30 colleges. The St. Edward FCCLA received the Bronze Chapter Award, criteria for the award was based off the following categories: Membership, Leadership, Promoting FCCLA and Competitive Events and Programs, Mr. Cletus Arasmith (St. Edward FCCLA Adviser) received the Adviser Years of Service Recognition Award for 5 years of service.

ST. EDWARD FFA NEWS

This year 11 St. Edward FFA members traveled to Lincoln for State FFA convention. Payton Fitchner competed in the State Employment Skills LDE. We also had 2 teams qualify to compete in State CDEs in the areas of Livestock Management and Meats Evaluation. In addition, we had a team compete in both Agriscience and Natural Resources contests. Our teams competed hard, and some members earned ribbons for their performances. Senior Jean Cumming received her State FFA Degree and Senior Malaina Francis had the honor of singing with the Nebraska FFA Honor Choir. All members attended community service and leadership development activities while at convention. It was a great State FFA Convention!

STATE FFA CONVENTION

During the state convention, there were seven sessions for the members to attend. Each of the sessions had different focuses and the members all enjoyed the sessions that they attended, especially the opening session with an amazing keynote speaker. The team also attended workshops and a career fair with businesses from around Nebraska. Our members took this time to learn about these businesses and developed team building skills, leadership skills, and dance skills during the workshops. Before events took place there was a time for meeting new people and making new friends at the welcome center. Our members did a scavenger hunt and worked as teams to complete the tasks.

This year the St. Edward FFA Chapter hit the ground running. Many students took on competitions and placed remarkably well. All members took on the challenge of competing in new contests and attending chapter activities. After State Convention, the chapter celebrated the year with the annual banquet. Members that accumulated 100 points or more by attendance to FFA activities will attend a points trip to Spring City in Grand Island on April 24th.

FFA BANQUET

The St. Edward FFA Chapter Banquet was held on Tuesday, April 18, 2023, in the St. Edward gym. The evening started with a great meal provided by Wert's GW, Julie Long, and the members. After the meal the officer team kicked off the banquet with opening ceremonies and then went into member awards. The banquet wrapped up with a review video and installation of the 2023-2024 chapter officers. It was a very momentous occasion.

BUILD BABY'S BRAIN WITH BOOKS!

From birth to 12 months it's all about...
SOUNDS, WORDS & FEELINGS!

NEWBORN

Start now! A nurturing family routine of reading aloud every day from birth will help your baby feel safe, loved, and ready for school and life.

Babies love books with real pictures and bold contrasts.

1-2 MONTHS

Smile! Babies love faces and making emotional connections with people. They look, they listen, they feel...

2-5 MONTHS

Oohs and ahhs! Your baby's coos are more than cute – they're vowels! By practicing with loved ones, your baby is figuring out which sounds are important to learn to talk.

Chewing books is normal – a sign of teething! Let baby explore sturdy board books by holding them, turning pages and even tasting!

5-9 MONTHS

A babbling brook... Through all of that drool, you'll hear "mama," "dada," "baba," and more. Your baby is practicing consonants, new sounds to help them talk.

9-12 MONTHS

Talk to me! Like magic, all of a sudden your baby starts putting those coo (vowel) and babble (consonant) sounds together to make wonderful words!

Reading aloud together is so important to develop your baby's vocabulary. Beyond favorite books, pick new ones that provide new words and experiences. All of these words add up quickly!

Read aloud slowly and exaggerate sounds.

MISS JAIME OT

J IS FOR: JUMBO CRAYONS

Save these crayons for your toddlers. Everyone else should use:

- Golf pencils
- Standard size crayons
- Broken crayons

Swipe to find out why you shouldn't use jumbo crayons

"Bigger is not always better."

Why can't I use JUMBO crayons?

Babies and toddlers use their **WHOLE ARM** to scribble.

As they get older and stronger they begin to develop improved fine motor skills.

The wrist and hand do the work during writing and coloring & jumbo crayons are **HEAVY!**

Use golf pencils and standard size crayons to make it easier to manipulate and hold.
