September 2022 is now in the books and we are rolling into the month of October. The first quarter will come to a close on October 14th with a 1:30 dismissal. The second quarter will begin on Monday, October 17th. It has been a great year thus far and I anticipate the same moving forward. I would like to thank the parents for your support of the school and all of the hard work you invest in your student's education. I would like to take this opportunity to thank parents for following our safety guidelines when picking up and dropping off your students at school. With winter weather in the near future, we ask in advance that you use extra caution when picking up and dropping off students to avoid unnecessary congestion and compromise the safety of our students during inclement weather.

We have nearly completed our first round of assessments and we will be using the assessment data in our continuous school improvement process. We are currently in year number five of this five-year cycle and preparing for an external team visit in the spring of 2023. Our goals for this improvement cycle have been focused largely on improving reading at every grade level and that will be a goal which will always remain a priority. Our Mission Statement: St. Edward Public Schools will provide a quality education, in cooperation with families and the community, to create respectful and responsible citizens.

I would like to remind all parents that St. Edward Schools has a program in place to assist students in an effort to improve student performance and help minimize students on the weekly 74% and below list, an extended learning time (ELT), is provided after school. In the case of circumstances beyond the control of the student, an exception may be approved to attend a 30-minute morning session as well. Students failing a class are required to attend the ELT on Monday, Tuesday, and Wednesday, for a minimum three sessions each week. However, if the student obtains a passing grade of 70% or above during the week, they will be strongly encouraged to attend, but attendance will not be mandatory. Students having probationary grades (70% - 74%) will be strongly encouraged to attend, but attendance will not be made mandatory. If you have any question regarding this program, please contact Mr. Luebke or myself.

Our fall activities have surpassed the midpoint for the 2022 seasons and our players, coaches and spectators have represented St. Edward Schools well with a great competitive spirit displaying excellent sportsmanship. I would like to congratulate all coaches and participants for the success and positive learning experiences they encountered during their seasons thus far. In closing I would like to thank everyone for their support for our school, students and staff. Thank you and make October a great month.

St. Edward School Penny War!

November 1-10, 2022

Put your spare change toward a great cause. All proceeds from our penny war fundraiser will go to St. Edward's American Legion to support the cause they choose.

Pennies are "positive." Here's how it works:

- Containers will be located in each classroom
- Each penny counts as one positive point for YOUR classroom
- Each silver coin counts as negative points for OTHER classrooms. In other words, dropping a quarter in another classroom's bucket takes 25 points from their total
- On November 10 at 3 p.m., all change/points will be tallied and the classroom with the most points will win a **movie party with popcorn.** Winner will be announced at the Veterans Day Program.

Start saving your change—it can make a big difference!

During our September FFA chapter meeting we discussed a lot of topics. First we started out with discussing Husker Harvest days. At Husker Harvest days we did a fun scavenger hunt and got to walk around to different business tents. We learned about different topics like water conservation, business planning, and the best meal plans for your animals. During our meeting we also discussed the National FFA Convention. The National FFA Convention will take place in October in Indianapolis, Indiana and is a great learning opportunity and great motivation for our FFA chapter. We also discussed a career day which is for juniors and seniors and a great place for career ideas. Another topic discussed was Land judging. Land judging is when you try to figure out what different soil has in it. Our next meeting will be October 5. In October the St. Edward FFA Chapter will be hosting our annual Feed the Farmer and seven members will attend the National FFA Convention.

Come back & see us!
