Mr. Frederick

Mrs. Pritchard

We are already half way through a quarter of school. I would like to thank all the parents/guardians who attended Parent/Teacher Conferences on September 20. We had a great turnout for both elementary and secondary conferences. Having conferences around week five of the school year allows teachers the opportunity to touch base with parents/guardians on items going well for their student, and sometimes when they are struggling in certain areas. Your continued support throughout the school year is greatly appreciated.

The budget and levy were set at the September 10, 2018 budget hearing and regular board meeting. The levy decreased to (0.534671), which is 0.007 lower than last year. The tax request overall decreased \$63,687 from last year totaling \$2,481,767 this year. The General Fund budget of \$3,434,000 was set for the 18-19 school year and the Special Building Fund asking of \$0.010881 generating \$50,505 this school year. St. Edward School district continues their strong financial standing for this school year and future.

Students have been busy with activities to begin the school year. FCCLA and FFA have each attended events/conferences and the band has marched at the state fair. Elementary students have been to the state fair. The cross country teams have traveled to four meets with many runners setting personal best times on each course. The football team is currently 1-3 and the Junior High team is 1-1. The volleyball team has four wins and the Junior High A team have dropped both matches and the B team has one win and one loss so far this young season. I am looking forward to watching the students and athletes perform at the rest of the fall activities.

We are striving to utilize the messenger system to communicate updates on events/cancellations. The school staff and administration is using a weekly announcement form to keep students and their families informed on activities during the school day and activities that occurring after school. Of course we have the monthly calendar of events on the website, but you can go to the Quicklinks tab on the website to access the weekly announcements. The weekly announcements will be the most up to date information for the current week, as it is done on a weekly basis. You will be able to see lunch menu, leave times/game times for events, as well as events occurring during the day, such as testing or early outs. The announcements are also posted in the hallway for students to reference the most current information. The new website is www.stedpublicschool.org. We will soon have an app for android and iPhone, so a messenger will be sent when those can be accessed.

The Other Side of the Den

Welcome to the Autumn Season! I wanted to update parents/guardians on the lower grades recess schedule.

The kindergarten through third grade has divided their recesses into two groups. The schedules are below:

Morning:

Kindergarten and First grade: 10:00 am – 10:30 am

Second and Third grade: 10:30 am – 11:00 am

Afternoon:

Second grade: 2:00 pm – 2:30 pm

Kindergarten and First grade: 3:00 pm – 3:30 pm

If there are any questions, don't hesitate to call me.

Sincerely,

Ms. Allison Pritchard

PK-6 Principal

Foreign Exchange Students

This school year we have two foreign exchange students joining us for the 2018-2019 school year. "Lily" Hanjun He joins us from Qujing, China and is here to expand her horizons, meet new people, and study new subjects at St. Edward Public School. She chose America because she is interested in American history and there is not a limit to the possibilities of learning here. She has many classes to choose from. Some of her favorites so far this year are art, careers, and pre-calculus. She is most excited to be here to explore the scenery, live with a new family, and try American food. Her favorites so far are hamburgers and ice cream. Lily likes to work in the concession stand during home game events as a way to help out St. Edward organizations. In Lily's free time she reads, listens to English songs, plays piano, and hangs out with her

friends. The biggest shock to her coming to our school is that there is only a small amount of other students. She's used to having 2000 plus students at her Chinese school. Lily lives with the Jerry and Staci MacDonald family.

Lucien Ruby is a senior but not just a senior. He is a foreign exchange student from France. He came here

to improve his English and to get a different view of life. He will be very sad when he leaves because of all the friends he is making. He says he might come back to visit. He picked America because it we have great weather. He will be participating in Football, Basketball, Track, the local badminton tournament, and FCCLA. Lucien lives with the Brian and Vanessa Cumming family.

Choral Leadership Day

Thursday, September 6, 2018, four St. Edward High School Choir students, and their teacher, Tami Texley, attended the Choral Leadership Day at Grand Island Northwest. Presenters for the day were: Paul Gulsvig, Neal Schoor, Fritz Mountford, and David Sackschewsky. They shared their ideas on recruiting, keeping kids in choir, how to run your own sectionals, and being the best “you” can be.

Pictured right is Alias Schumacher, Sophie Reeves, presenter Paul Gulsvig, Roy Cumming and Kean Cruise.

Harvest of Harmony

The St. Edward Beaver Band will be marching in the 77th annual Harvest of Harmony Parade on Saturday, October 6, 2018. They are the 16th entry in the parade and the fourth school in the line up, with step-off being at 8:05 a.m.

NTV will broadcast the Parade live, from 8:00-11 a.m. TV coverage is not guaranteed for everyone; the parade does not stop for commercials.

Everyone is welcomed to attend the Parade in Grand Island and cheer on Beaver Marching Band.

Senior students and parents...start preparing for college admission!

College may still seem far off, but admission deadlines will start hitting later this fall. Follow these steps to stay on track:

Contact your top colleges NOW and ask about application deadlines for admission, college-based scholarships and financial aid; if you need a separate application for scholarships; and about application fees.

Visit with college representatives at College Fairs, Educational Planning Programs, during campus visits, and when they visit your high school.

Apply to your top 3-4 colleges before the deadline. Along with your application, the colleges will require your high school transcript, class rank, GPA and ACT/SAT score. They may also request a list of your extracurricular activities, letters of recommendation, an essay and an interview.

Don't forget to look for the scholarship page on the college's website to see what you need to do to apply for their scholarships.

Elks Teenager of the Month

Trevor Rasmussen, son of Lisa and Wayne Rasmussen, is the representative for Elks Teenager of the Month. The Elks Club of Columbus requests each area school to nominate a teacher-selected senior who is outstanding in academics and extracurricular activities, and shows leadership and good citizenship in their school and community. Trevor has been involved in football, basketball, track and serves as an FCCLA officer in school. Outside of school Trevor likes to hunt, fish, skate board and ride motorcycles. As the Elks Teenager of the Month, Trevor will be featured in the Columbus Telegram and Elks Hilltop newsletter. He will also receive a letter and a gift certificate for dinner at the Elks Country Club.

Parents

make the difference!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1 A planning calendar is key to organization. Make sure your child uses one to track her school assignments and tests.	2 Put items such as pebbles or acorns in a jar. Ask your child to guess the number of items. Count them together.	3 When your child comes home, have him draw a picture of his school day. Then, talk about it.	4 Talk with your child about a choice you've made and the consequences of that choice.	5 Put on music and spend 15 minutes drawing or writing with your child.	6 Help your child start a collection. Provide a place to keep it—a box, a shelf, a drawer.
7 Build responsibility. Give your child a small plant to take care of. Put her in charge of the watering schedule.	8 Read three poems with your child today.	9 Learn the sign language alphabet. Use it to practice spelling words.	10 Look at a tree in your neighborhood. Talk about how it has changed in the last few weeks.	11 Tell your child we learn when we try new things. Today, take a new route home or try a new food.	12 Does your child have homework to do over the weekend? Make sure he schedules time to complete it.	13 Help your child round up some friends and play a game together outside.
14 Do a crossword puzzle with your child. It's a great way to learn new words.	15 Make sure your child starts the day with a healthy breakfast.	16 Ask your child to pretend she's Mayor for a day. Have her list three ideas to make your community a better place.	17 Post a new vocabulary word and its definition on the bathroom mirror. Post a new one every week.	18 Dissolve some salt in water in a glass. Have your child observe it over the next few days. Talk about what happens.	19 Set up a well-lit corner with pillows and favorite books. Encourage your child to get cozy with books.	20 When you're in the store, ask your child to figure how much tax you will be charged.
21 Watch the news with your child. Choose a person of the week. Read more about that person.	22 Give your child a measuring tape. Ask him to measure and record the dimensions of objects in your house.	23 Give your child 10 coupons, each good for 30 minutes of your uninterrupted attention.	24 With your child, learn how to count to 10 in at least three different languages.	25 Ask your child <i>how</i> and <i>why</i> questions to give her practice answering questions that require reasoning.	26 Watch a TV program with your child. Track the time spent on commercials vs. the program.	27 Ask your child to help you organize something, such as a closet.
28 Spend a half hour reading together today. Let your child pick the book you will read.	29 Create a word search for your child by hiding words in a grid and surrounding them with random letters.	30 Talk with your child about ways to handle stress. Exercising and talking to someone are good strategies to try.	31 What is the coldest place in the nation today? The warmest? What's the difference between the two temperatures?	<h2>October 2018</h2>

¡hacen la diferencia!

Domingo	Lunes	Martes	Miércoles	Jueves	Viernes	Sábado
	1 Tener un calendario de planificación es clave para organizarse. Verifique que su hijo use uno para llevar cuenta de las tareas y los exámenes.	2 Coloque artículos como piedritas o bellotas en un tarro. Dígame a su hijo que adivine cuántos hay. Luego cuéntenlos juntos.	3 Cuando su hijo regrese a casa, dígame que dibuje lo que sucedió hoy en la escuela. Luego hablen sobre lo que dibujó.	4 Hable con su hijo sobre una decisión que usted haya tomado. Luego, hable sobre las consecuencias de su decisión.	5 Ponga música y dibuje o escriba con su hijo durante 15 minutos.	6 Ayude a su hijo a comenzar una colección. Dele un lugar para guardarla: una caja, un cajón, un estante, etc.
7 Enseñe responsabilidad. Dele a su hijo una planta pequeña para que la cuide. Dígame que se encargue de regarla.	8 Lea tres poemas con su hijo hoy.	9 Aprenda con su hijo el alfabeto del lenguaje de señas. Utilícelo para practicar las palabras de deletreo.	10 Observen algún árbol de su vecindario. Hablen de cómo ha cambiado en las últimas semanas.	11 Dígame a su hijo que aprendemos cuando probamos cosas nuevas. Hoy, sigan un camino nuevo o prueben una comida nueva.	12 ¿Tiene su hijo tareas escolares para hacer este fin de semana? Ayúdelo a organizarse para completarlas a tiempo.	13 Ayude a su hijo a reunir a algunos amigos y para un juego al aire libre.
14 Haga un crucigrama con su hijo. Esta es una estupenda manera de aprender palabras nuevas.	15 Asegúrese de que su hijo comience el día con un desayuno nutritivo.	16 Dígame a su hijo que finja ser alcalde por un día. Dígame que haga una lista de tres ideas para que su comunidad sea un lugar mejor.	17 Pegue una palabra nueva y su definición en el espejo del baño. Pegue una diferente cada semana.	18 Disuelva un poco de sal en un vaso con agua. Observen durante algunos días. Hablen sobre lo que sucede.	19 Coloque almohadones y libros favoritos en un rincón bien iluminado. Anime a su hijo a ponerse cómodo y leer.	20 Cuando estén en la tienda, pídale a su hijo que calcule el impuesto que les cobrarán por la compra.
21 Mire las noticias con su hijo. Escojan una "persona de la semana". Busquen más información sobre esa persona.	22 Dele a su hijo una cinta métrica. Pídale que mida y anote las dimensiones de algunos objetos de su casa.	23 Dele a su hijo 10 cupones. Cada cupón es válido por 30 minutos ininterrumpidos de su atención.	24 Aprenda con su hijo a contar hasta 10 en por lo menos tres idiomas diferentes.	25 Hágale a su hijo preguntas que comiencen con <i>por qué</i> y <i>cómo</i> para que practique responder preguntas que requieran razonamiento.	26 Mire un programa de TV con su hijo. Cuenten el tiempo dedicado a los comerciales y el tiempo dedicado al programa.	27 Pídale a su hijo que lo ayude a organizar algo, como por ejemplo un armario.
28 Lea con su hijo durante media hora hoy. Deje que él escoja el libro que leerán.	29 Haga una sopa de letras para su hijo escondiendo palabras en una cuadrícula y rodeándolas de otras letras al azar.	30 Hable con su hijo sobre distintas maneras de aliviar el estrés. Hacer ejercicio y hablar son buenas opciones.	31 ¿Cuál es el lugar más frío del país hoy? ¿Y el más caluroso? ¿Cuál es la diferencia de temperatura entre los dos lugares?	<h2>Octubre 2018</h2>
