

# Preschool NEWSLETTER

September  
2025

## *Special Notes*

### Volunteer opportunity

- We are in need of red, yellow, and green apples for a taste testing activity. The volunteer is also welcome to come help with snack time on this day too!

We will have a nature basket in the science center this month. I encourage you to spend some time in nature with your child and they can bring something they find outside to school! Examples: leaves, sticks, rocks, bug, etc.

## *Reminders*

-Students are welcome to send treats for their birthday! Homemade items should be wrapped individually and will be sent home with students. Store bought treats are required if you want the treats eaten at snack time.

-Please email me family book pictures by Wednesday, September 3rd.

-Email: [mnelson@sted.esu7.org](mailto:mnelson@sted.esu7.org)

## *Important Dates*

September 1st- NO SCHOOL
