

St. Edward Beavers

Covid-19 Winter Activity Guidelines

General Information

These guidelines may change at any time with or without notice.

St. Edward will follow DHM mandates. Currently 25% capacity for gyms. **The 25% capacity does not include participants and coaches of the event, but is limited to household members of participants only.**

Each visiting team will receive **50 TICKETS** to use for fans. These must be presented at the gate in order to be allowed into the game.

Masks are **REQUIRED** for all spectators.

Social distancing is encouraged at 6' distancing between families.

Visiting teams will temperature check their athletes prior to leaving. Temperatures must be less than 100.4 degrees.

Concessions will be offered but with a limited offering of items.

No outside food or drink will be allowed. Any food brought by visiting teams must remain on the bus or school van of the visiting teams. **Parents bringing meals for their children need to deliver those meals to the team bus.**

Visiting fans will be in the West bleachers of the gym.

No pep bands from visiting schools will be allowed.

No visiting dance teams will be allowed to perform.

All young children need to sit in the bleachers with their family groups. They will not be allowed to go into hallway or commons unattended.

Home games will be broadcasted on Striv.

Basketball

St. Edward will sit on the South bench of the West bleachers. The visiting team will sit on the North bench of the West bleachers.

All players will have their own water bottle.

If visiting team needs ice, ice can only be handled by home administration or coaches.

Masks are **REQUIRED** when not competing. This requirement includes while on the bench/sideline, walking to and from the locker rooms etc.

Sanitizer will be placed on both benches.

Each team will dress and shower in their respective locker rooms.

Officials will have their own changing area.

Teams will NOT shake hands before or after any games.

We advise all spectators, players, and coaches of both schools to avoid intermixing with too many individuals before, during, or after any game. Please focus on visiting with your family and do your best to social distance while you are visiting.
