It is hard to believe that it is already February of the 2022-2023 school year. Second semester is already in week four of our second semester. Having said that, while second semester is in full swing, we are also in the process of planning for the 2023-2024 school year and looking at possibilities to make 2023-2024 school year a great year. The Nebraska Legislative Session is underway with many new bills being introduced for consideration. There are a number of these bills that relate to education and several of these are focused on the funding of education as well as curriculum and school climate. Each year, there are new bills addressing education that are presented and debated. These bills either gain traction and make progress, end up reappearing in another form, while others end up "on a back burner" or go away for lack of support. I plan to keep in tune to the legislative action and attend meeting as necessary and appropriate as these issues relate St. Edward Public Schools and the education process in general.

Here are some days on the school calendar to make a special note for your planning purposes. These days are <u>Thursday, February 9th- 1:30 p.m. dismissal day</u> to allow for Parent/Teacher Conferences. These conferences will run from 3:00 p.m. to 8:00 p.m. on this day. There will be <u>No School</u> on <u>Friday, February 10th</u>. <u>Monday, February</u> <u>27th will be a 1:30 dismissal</u> for scheduled staff in-service activities. The concludes my information for this edition. Thank you

for your time and make February a great month!

<u>Spring Break</u> by Colton Funkhouser Spring break is coming up soon and I had to ask three little kids, three highschoolers, three adults, and one random person what their dream vacation was. I thought some of them were funny, but most of them were reasonable.

Davis Lubbe said, Hawaii, or South Dakota. Braydon Funkhouser said, Omaha, or Mexico. Johnny Lubbe said to go kayaking. Rebekah Ketelsen said, England. Peyton Fitchner said, Greece. Malaina Francis said, Italy. Mrs. Cruise said, a beach or Figi. Mrs. Denner said, Tennessee, Nashville. Mrs. Gray said, Turks and Caicos. Triton Sindelar said, Loretta Lynn Ranch Motocross Track

<u>Valentine's Day</u> by Nolan Werts <u>Since Valentine's is coming up, I asked people what the perfect date would be.</u>

Henry Cruise thinks the perfect date would be going to a restaurant and driving around. Max Pierce thinks the perfect date would be to go to a fancy restaurant. Tanner Johnson thinks the perfect date would be Brinny Sindelar. Sheena Werts thinks the perfect date would be to go to a cabin, then go out to eat, and then sit by a fire. Carter Anson thinks turkey hunting would be the perfect date.

Isaac Roberts thinks driving around different towns would be the perfect date. Cris Condreay thinks an NFL game would be the perfect date. Shae Murphy says the movies would be the perfect date. Cris Irineo says bumper cars are the perfect date. Mr. Adam thinks the perfect date would be a Husker football game.

<u>Christmas Break</u> by Triton Sindelar Christmas was a few weeks ago and I asked people at school what their funniest gift was, as well as the most unexpected gift they received. Their answers were pretty interesting.

> Bohen Christman: bike/pivot plant for hose Morgan Cumming: nerf gun/ hey dudes Brynlee Sindelar: puppy/ lime green shoes Mr. Osborn: dawn dish soap/gift from grandchildren Mrs. Redler: Mug/plant Spencer Werts: underwear in a can/ Trail camera Marcos Paez: PS5/car Mr. Luebbe: toothbrush/gift from kids Grant Gasper: chocolate money/ m&ms Mrs. Melcher: toilet night light/picture of the farm she grew up on Mrs. Berggren: drawing board/ apothecary table

<sup>36</sup>Thank you to all of our elementary parents with the afternoon pick up procedure. Just a reminder to please be courteous to those already waiting in line and to follow directions from the staff. Things have really been going smoothly and we continue to adapt to make things go quickly. The number one priority with our pick up process is the safety of the children. If you don't want to wait in the line feel free to park in the south parking lot and come over to collect your student. We will only have students cross at our designated intersections with the Safety Patrol. With winter weather upon us, we remind you to please use extra caution when picking up students to avoid unnecessary congestion and compromise the safety of our students during inclement weather. It sometimes may seem more convenient to take "shortcuts" during this process which may lead to placing children in less safe situations. Two things to keep in mind while picking up students: If your student has to cross the street to enter your car, or if you need to back up your vehicle. Also a reminder, to make sure you are traveling down Clark Street from the East to the West.
