BYLAWS OF THE BOARD - 9200

Formulation, Amendment, and Adoption of Policy

The organization, management, and control of this school district is vested in its board of education (“board”). To guide the board and school district operations, and to assist it and its designees in carrying out duties, the board will establish, maintain, and amend a set of policies.

Written board policies serve the following purposes:

1. Formally articulating the board’s goals and long-term objectives.
2. Providing district administrators and staff with guidance in making decisions that affect students, employees and patrons of the district.
3. Informing the public of the manner that the board and district will conduct its business and its relationships with staff, pupils, parents and patrons.

To avoid unnecessary rigidity, these policies are stated in general terms. With the exception of statutory requirements or instances when the specific application of a policy is essential to the long-term welfare of the district, these policies are intended to provide administrators with the flexibility to apply them to a wide range of situations.

The policies are not the only guidelines for district operations. Specific regulations, procedures, and practices also help guide and govern actions and decisions. They must be consistent with policies, but serve a different purpose.

Exceptional Circumstances

The board cannot foresee every situation that may arise, and circumstances will occur when these policies provide inadequate guidance. In such circumstances, the superintendent should use his or her best judgment, and communicate with the board about the situation as soon as is convenient.

Validity of Policies

Each policy and its provision should be interpreted so that it is valid under applicable law. If a court determines that a provision of a policy is invalid, such invalidity shall not affect the remaining provisions of that policy.

BYLAWS OF THE BOARD - BYLAWS, POLICIES AND REGULATIONS – POLICY 9210

Proposed new bylaws and suggested amendments to or revisions of existing bylaws may be adopted by a majority vote of members of the Board during the first reading for which meeting the proposed additions, amendments or revisions shall have been described in writing. If the Board deems it necessary to allow more time for input, the Board may conduct a second reading at the next regularly scheduled meeting of the Board.

Adoption and amendment of such Board adopted regulations shall be by the same procedure as that specified for policies at 9200.

The Board reserves the right to review and demand revisions of administrative regulations should they, in the Board's judgment, be inconsistent with the policies adopted by the Board.

BYLAWS OF THE BOARD – MEETINGS – 9370A

Open Sessions

Subject to the provisions of the public meeting law of the State of Nebraska and the policies of the District, the public shall have the right to attend and the right to speak at meetings of the Board except any part thereof held in closed session, and all or any part of a meeting of the Board except that held in closed session may be recorded by any person in attendance by means of a tape recorder or any other means of sonic reproduction or in writing.

The Board may make and enforce reasonable rules and regulations regarding the conduct of persons attending its meetings and regarding their privilege to speak. The Board is not required to allow citizens to speak at each meeting, nor may it forbid public participation at all meetings.

Any person or group may attend the regular or special meeting of the Board of Education. Undue interruption or other interference with the orderly conduct of business cannot be allowed. Defamatory or abusive remarks are always out of order. A speaker's privilege of address may be terminated if he persists in improper remarks.

At a public meeting of the Board no person shall orally initiate charges or complaints against an individual employee of the District or challenge instructional materials used in the District. All such complaints, charges or challenges shall be presented to the Superintendent or Board in writing and signed by the complainant. All such charges, if presented to the Board directly, shall be referred to the Superintendent for investigation and report.

The Board is not obligated to act on any request unless the same has been submitted in writing to the Superintendent or to the president of the Board sufficiently in advance to allow the same to have been incorporated into the agenda for the meeting.
