## ***Saint Edward Public School PTO Donation Form***

Dear Families and Community Members,

We are excited to continue our Parent-Teacher Organization (PTO) efforts! Our goal is to build something truly special for our students and SEPS staff. We're just getting started, and with your support, we hope to grow and create meaningful opportunities that enrich our school community.

We are kindly asking for donations. Any amount—big or small—helps us grow. All funds will go directly to PTO initiatives that support our teachers, students & staff.

***\$5, \$10, \$20: whatever you choose or can spare!***

Donations can be made by cash or check and returned to the school. Make checks payable to *St. Edward Public School PTO*.

Thank you for considering a donation and for supporting our school community.

***Together, we can build something great!***

Warmly,  
Saint Edward Public School PTO

### **What do PTO groups do?!**

- Shows Appreciation
- Organizes Events
- Support Classrooms
- Builds Community
